### **DETAILED ACTION**

1. This is in response to the Board of Patent Appeals and Interferences' decision on April 21, 2009. Claims 1-9 and 19-34 have been cancelled. Claims 10-18 and 35 are pending in this application. Claims 10-18 and 35 have been reversed.

#### ***Allowable Subject Matter***

2. Claims 10-18 and 35 are allowed over the art of record.

The following is a statement of reasons for the indication of allowable subject matter: Regarding independent claims 10, 18 and 35, the prior art fails to disclose or suggest the claimed provision “assigning a weight value to the request based on a sequential order of the request relative to access requests to the predetermined address location made by other of the security channels and retrieving the security association data structure from the predetermined address location based on the weight value assigned to the request” as claimed in conjunction with remaining claims provisions.

3. The dependent claims, being further limiting to the independent claims, definite and enabled by the Specification are also allowed.

#### ***Comments***

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

***Conclusion***

5. The prior art made of record and not relied upon is considered pertinent to Applicant's disclosure.

***Point of Contact***

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to HANH B. THAI whose telephone number is (571)272-4029. The examiner can normally be reached on Mon-Thur (7:00AM - 4:30 PM).
